Fun – nastics Parties

Fun-nastics Parties are specifically designed for children ages 3-8 years. Children will participate in games, songs and activities in the Fun-nastics room with "Miss Diane". Fun-nastics activities generally last an hour and fifteen minutes and the remaining time is for cake, juice and/or ice cream. You may also choose to open gifts or have your child's guests engage in a fun party game, if time allows. Each child will receive a small party favor from UDP&R. The host parents are expected to stay and assist the staff with the party.

Children will participate in a variety of *basic* gymnastic activities. These may include simple floor exercises, walking on a three-foot high balance beam, easy uneven bar maneuvers, jumping over the pommel horse and other fundamental gymnastics skills. Children need no gymnastics experience to participate in these activities. Adding to all of the excitement, children will be able to show off their moves with fun dancing (i.e. limbo macarena, chicken dance and even the hokey pokey). Parachute activities and hula hoop games may also be played.
