## Press Release

**October 19, 2010**

**FOR IMMEDIATE RELEASE**

The Upper Dublin Township Police Department has been awarded a \$1,105.00 grant from the Target Corporation. The Video Forensic Technology Grant seeks to support initiatives aimed at assisting detectives complete more thorough and expedited investigations.

The grant will provide the funds necessary to purchase video forensic technology, specifically an external computer drive, a multifunctional printer, and a Motion-Activated PC/Web Camera System. This equipment is essential so that detectives are able to more accurately document, depict, and identify suspects, evidence, and other information that is pertinent to a criminal investigation. In today's technological based society it is imperative that law enforcement officers be able to provide a clear, concise, and accurate depiction of events to the courts and public.
