*** Note: The finished side (side without supports) must face outward.**

I hereby certify that the drawing accompanying this zoning permit application is an accurate representation of the record dimensions of my property, and that no part of the improvements will encroach on public or private property including legal rights-of-way and/or recorded easements. I further certify that the new installation will not be placed in a location that will pond water on the land of an uphill neighbor or divert runoff to another location. If any part of the improvements are found to encroach on public property, including legal rights-of-way and/or recorded easements, the Township reserves the right to require its removal at owner's sole cost and expense, including all costs of enforcement such as Township administrative costs and expenses, court costs and attorney's fees; or, to remove the improvement itself, to charge owner for all costs associated with its removal, including Township administrative costs and expenses, and to lien the property for all such costs incurred.
