FIRE SERVICES

Department of Fire Services

The Department of Fire Services is involved with community fire protection planning, emergency management, and public safety education matters. In addition, the Administrator provides oversight in critical areas of fire service performance, apparatus, equipment, facilities management and finance, while serving as a liaison to EMS Providers, Township Administration, and Departments, Businesses, Civic Groups, and Local, State, and Federal Agencies. The Fire Marshal conducts permit and occupancy generated inspections, performs plan reviews and is responsible for Cause and Origin Investigations. Additional information is available at www.upperdublin.net or 215-643-1600 x3928; Staff can be found at Station A during regular business hours.

FORT WASHINGTON FIRE COMPANY, NO. 1

Fire Protection in Upper Dublin is provided by the Fort Washington Fire Company (FWFC). The FWFC has provided dedicated service since 1908 through ongoing recruitment, training and education while striving to be on the cutting edge of fire suppression, rescue services and fire prevention. The FWFC is always looking for new volunteers and welcomes anyone who is interested to visit them at Station A or Station B any Monday night at 7p. Additional information is available at www.FortWashingtonFC.org or 215-646-2555.

Station A Fire House

1245 Fort Washington Ave.
Fort Washington, PA 19034

Station B Fire House

3315 Susquehanna Road
Dresher, PA 19025

HOUSEHOLD HAZARDOUS WASTE AND E-WASTE

Call the Montgomery County Recycling Hot Line for drop-off locations of household hazardous waste and e-waste at 610-278-3618 or visit their website:

www.montgomerycountyrecycles.org.

POTHoles & STREETLIGHT ISSUES

Call PennDOT at 1-800-349-7623 to report potholes on State roads. To report potholes on Township roads and broken or malfunctioning streetlights, call 215-643-1600 x3233 or "Report an Issue" at www.upperdublin.net.

SNOW REMOVAL & SNOW EMERGENCIES

SNOW EMERGENCIES AND OFF-STREET PARKING

The Upper Dublin Police Department requests that during snow emergencies, all residents use off-street parking for vehicles.

Residents without off-street parking should follow this schedule: On even-numbered days, parking is permitted on the side of the street with even-numbered houses; on odd-numbered days parking is permitted on the side of the street with odd-numbered houses.

SNOW REMOVAL

Please clear snow from fire hydrants on or near your property. Residents are reminded that sidewalks must be cleared of snow and ice within 24 hours of the end of a winter storm per Ordinance #656. It is illegal to shovel, plow or blow snow onto a street per ordinance #1062.

MORRIS ROAD, 309 AND PA TURNPIKE

PennDOT (1-800-349-7623) is responsible for snow and ice control and road maintenance on Morris Road and the 309 Expressway.

The PA Turnpike Commission (1-800-331-3414) is responsible for snow and ice control and road maintenance on the PA Turnpike.

STORMWATER MANAGEMENT IMPROVES WATER QUALITY

Construction: PA's stormwater program establishes permitting requirements for construction sites disturbing more than one acre, industrial sites, and Municipal Separate Storm Sewer Systems (MS4s). The Township has an MS4 permit and is required to implement a stormwater management program.

Residents can help improve our water quality. Four common problem behaviors that pollute or clog our stormdrains can be solved:

- Wash your car on the grass or at a commercial car wash
- Don't over-fertilize; don't fertilize right before it rains
- Pick up solid pet waste in your yard and on sidewalks
- Cover dirt piles to keep them from eroding into stormdrains

If you smell gas, smell oil, or see an oil spill that threatens our waterways, call 911.

January 2017
