**APPLICANT INFORMATION & CERTIFICATION**

**HOMEOWNER VERIFICATION:** *As the Property Owner, I will be performing all work and accepting full responsibility for all inspections and workmanship.*

**Signature:**

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent. I also certify that all information on this application is correct and will be completed in accordance with the approved construction documents and PA Act 45 (Uniform Construction Code) and any additional approved building code requirements adopted by Upper Dublin Township.

Finally, I understand that an application for an Electrical Permit and payment of the permit fee does not constitute issuance of a permit and permission to start the job. No work may start until the permit application has been reviewed, approved, and processed, and the Electrical Permit is issued.

# PERMIT REQUIREMENTS

PROPERTY LOCATION: \_\_\_\_\_

- A copy of the Permit **MUST BE KEPT ON SITE** at all times.
- A copy of the approved set of plans **MUST BE KEPT ON SITE** at all times.
- Inspections require **AT LEAST** 24 hours' notice. For job flow, inspections should be scheduled several days in advance.
- All inspections indicated on the Building Inspection Checklist are required, as well as any additional inspections called for by the Building Inspector on site.
- Please call **215-643-1600 x3305, 3205, 3405, or 3505** for inspections.
- Any **CHANGES FROM THE APPROVED PLANS MUST BE AUTHORIZED** by the Code Enforcement Department. Approval of the revised plans is subject to the same review process as the original plans. An additional permit fee may be charged depending on the extent of the variation from the original plans.
- All work must conform to the IBC / IRC 2009 under the Pennsylvania Uniform Construction Code administered and enforced by Upper Dublin Township Section 73-6, A.

As the Property Owner or the Property Owner's Representative, I agree to the above conditions of the permit as well as any additional notations made on the approved plans.

If the above requirements are not adhered to, a **STOP WORK ORDER** will be issued until the job is brought into compliance.
