APPLICANT INFORMATION AND CERTIFICATION

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent. I also certify that all information on this application is correct and will be completed in accordance with the approved construction documents and PA Act 45 (Uniform Construction Code) and any additional approved building code requirements adopted by Upper Dublin Township. Finally, I understand that an application for a Plumbing Permit and payment of the permit fee does not constitute issuance of a permit and permission to start the job. No work may start until the permit application has been reviewed, approved, and processed, and the Plumbing Permit is issued.

PERMIT REQUIREMENTS

PROPERTY LOCATION: _____

- A copy of the Permit **MUST BE KEPT ON SITE** at all times.
- A copy of the approved set of plans **MUST BE KEPT ON SITE** at all times.
- Inspections require **AT LEAST** 24 hours' notice. For job flow, inspections should be scheduled several days in advance.
- All inspections indicated on the Building Inspection Checklist are required, as well as any additional inspections called for by the Building Inspector on site.
- Please call **215-643-1600 x3305, 3205, 3405, or 3505** for inspections.
- Any **CHANGES FROM THE APPROVED PLANS MUST BE AUTHORIZED** by the Code Enforcement Department. Approval of the revised plans is subject to the same review process as the original plans. An additional permit fee may be charged depending on the extent of the variation from the original plans.
- All work must conform to the IBC / IRC 2009 under the Pennsylvania Uniform Construction Code administered and enforced by Upper Dublin Township Section 73-6, A.

As the Property Owner or the Property Owner's Representative, I agree to the above conditions of the permit as well as any additional notations made on the approved plans.

If the above requirements are not adhered to, a **STOP WORK ORDER** will be issued until the job is brought into compliance.

Requirements for Water Services (new, replacement or repair), including but not limited to:

- 1- Plumbing Permit Application required
- 2- Plan showing the water service and connections
- 3- Provide size and type of pipe to be used _____
Pipe must meet all local water company requirements. You must contact your local water supplier – Ambler Borough Water Department (215-646-1000), Aqua (877-987-2782) or North Wales Water Authority (215-699-4836).
- 4- Provide all fittings proposed to be used _____
- 5- For new or replacement water services a backflow preventer and expansion tank are required to be installed.
- 6- Is the water service work or any portion thereof (new, replacement or repair) in the Right-of-Way?
Yes No (Circle one). If Yes a Highway Opening Permit is also required.

Please read the following additional requirements below:

- Depth - 3 foot minimum below finished grade
- Backfill - Screenings 4" under, on both sides and 1 foot over pipe, install magnetic locator tape with "WATER LINE" stenciled on tape, all must be compacted. The balance of backfill to be select native material (*)
- Testing – For new or replacement water services the following is required – Upon completion of a section of or the entire water supply system, the system, or portion completed, shall be tested and proved tight under a water pressure not less than the working pressure of the system; or, for piping systems other than plastic, by an air test not less than 50 psi. This pressure shall be held for at least 15 minutes. The water utilized for tests shall be obtained from a potable source of supply. Visual Inspection by UDT required at all connections (*)
- Testing – For repairs to water services the following is required – The repair shall be tested and proved tight under a water pressure not less than the working pressure of the system. Visual Inspection by UDT required at all connections (*)
- (*) Upper Dublin Township Code Enforcement must be scheduled a minimum of 24 hours in advance

The Code Enforcement Department is open from Monday – Thursday, 7:30 am - 3 pm and Friday, 7:30 am - 12 pm

All forms can be found on our website, www.upperdublin.net, Code Enforcement, Permit Applications and Form

Fees in effect as of the revision date
